NOTE:

We are playing a very close simulation to the real game of soccer. Kickoffs are like normal kickoffs. You may not kickoff to yourself and then shoot or dribble down the field. You must kickoff like any other soccer game. Your teammate may immediately shoot like a normal game. Corner kicks must be passed and taken like a normal corner kick.

ALL free kicks are indirect kicks and must be played or touched by another teammate to score. Free kicks cannot be touched to oneself and taken like a dribble in.

There is **NO “heading”** the ball, or using your head to hit the ball, in this age group.

Please make sure the defensive team is 5 yards or steps away from all dead ball situations.

Such as kickoffs, out of bounds on the sideline, goal kicks, corner kicks, and free kicks.

There will be no penalty kicks. After a goal is scored there must be a kickoff to restart the game.

Just like a normal game.
